

Cookie Policy

Revised by 15/10/2024

FYSM Market FZC LLC registered in accordance with the laws of the United Arab Emirates, registration number 4414135, license number 4414135.01, date of formation 30/07/2024, registered to the address Business Centre, Sharjah Publishing City Free Zone, Sharjah, United Arab Emirates (hereinafter referred to as the "Company"), is the copyright holder of <https://shop.fysm.co> (hereinafter referred to as "the Site" or "the Website").

By using the Site, you consent to the use of cookies in accordance herein with.

What is a cookie?

A cookie is a small piece of data (consisting of text and numbers) that is downloaded to your device connected to the Internet (for example, to a personal computer, smartphone or tablet) every time you visit our website. It helps the site remember information about you. Cookies are used by the Site to recognize your device, to store information about your preferences or previous actions, for example, the language you chose for the website.

For more information about the protection of personal information when using cookies and other data, see our privacy policy.

Please check out our ways of using cookies. You can ask us any questions you may have by sending an email.

How Company uses cookies?

Company uses cookies to improve the functionality of the site, to ensure smooth transition between pages, to remember your choice for settings of the website. We also use cookies to analyze how visitors use our service and interact with the site.

Company may collect information about users for other purposes without the consent of users in cases stipulated by law.

What types of cookies does Company use?

- Functional cookies

This type of cookie helps our website remember your settings, provide personalized features and recognize the platform from which the website accessed.

- Necessary cookies

This type of cookie is essential for the site to function properly. They are used in cases such as logging in or filling out forms. Without these files, we will not be able to provide the requested services.

- Analytical cookies

This type of cookie used to calculate the number of visitors of the site, as well as their sources. They help us collect information about how visitors use our site, on which pages they spend the most time, and on which pages they visit more often.

- Advertising cookies

This type of cookie is used to measure the effectiveness of our advertising campaigns, as well as to understand whether the advertising is displayed correctly. In addition, they help us consider your interests when displaying ads, helping us make them more relevant.

- Other cookies

This type of cookie is hosted by other services. We do not control these cookies. You must check the relevant sites for information and control over this type of cookie.

How long does the Company keep cookies?

We can use two types of cookies:

- Session cookies are temporary cookies used for the duration of your visit to the site and then deleted after you close your browser.
- Persistent cookies are used to remember your preferences on the site and remain on your computer or mobile device even after you close your browser or restart your computer. These files are stored on your device for a while or until manually deleted. This period depends on the specific cookie and your browser settings, they are stored throughout the time required to achieve the purpose of these cookies.

We use these cookies to analyze user behavior to determine the algorithm of visits to the site, which will allow us to improve the functionality of our site for you and other users visiting our site.

Can I manage cookies/delete cookies?

You can refuse to use or block all or specific types of cookies created because of your visit to the Company Site by defining your preferences for cookies.

You can also change your preferences on the Company website and/or on the websites of any third-party suppliers by changing your browser settings.

Access to certain Company functionality is only possible with cookies enabled. Disabling such cookies may lead to the result that you will not be able use all the functions of the Site.

You can enable or disable cookies by clicking on Cookie Settings in cookie pop up message. This allows you to reject the placement of all cookies (except strictly necessary cookies). You can also delete cookies which have already been placed on your device by adjusting your browser settings.

Learn how to disable cookies in a web browser according to instructions from the developer.

Please remember that disabling or deleting some or all cookies may prevent some web services (including on this website) from functioning correctly and may lead to a less smooth or less personalized browsing experience.

If you do not agree with this Policy, you must stop using or accessing our website and notify us immediately by mail to fysmmarket@gmail.com.
